## Texere Publishing Wins the AOP Employer Excellence Award 2022

**New York, US, June 17, 2022** – Texere Publishing is delighted to announce that it has won the [The AOP Employer Excellence Award](#) at the Association of Online Publishers' (AOP) Digital Publishing Awards 2022.

The award was presented to Texere at a ceremony at Old Billingsgate in London, UK, on June 15. Recognized as the Oscars of the UK's digital publishing sector and now in their 20th year, the AOP's Digital Publishing Awards showcase the individuals, teams, and companies driving the successful growth of the UK's online publishing sector.

The judging panel commended Texere for the clear demonstration that the company is investing in its people, and said, "Texere Publishing are truly deserving winners."

The AOP award follows hot on the heels of Texere’s recent achievement of silver accreditation from Investors in People and further recognizes the company’s ongoing commitment to supporting further development of talent within the business and its focus on sustaining a happy, engaged, and productive workforce.

“At Texere, we put people at the heart of everything we do, so winning the AOP Employer Excellence Award is a meaningful and significant achievement,” said Tara Higby, HR Manager at Texere. “We all feel very proud.”
